Section 3: Franchise Not Exclusive. The Franchise granted herein (the "Franchise") is not exclusive, and shall not be construed as any limitation upon the right of the City to grant to other persons or corporations, including itself, rights, privileges or authority the same as, similar to or different from the rights, privileges or authority herein set forth, in the same or other Rights-of-Way, by Franchise, permit or otherwise; provided, however, that any such grant shall be done in a competitively neutral and non-discriminatory manner with respect to the rights, privileges and authorities afforded Franchisee.

Section 4: Term and Termination. The term of this Franchise shall be ten (10) years, commencing with the effective date of this Ordinance. Thereafter, this Franchise shall continue in full force and effect for an additional ten (10) years unless notice is given by either party ninety (90) days before expiration, of its intention to terminate or renegotiate the Franchise. Upon termination or expiration of the Franchise, Grantee shall, within one hundred and eighty days (180), remove all its facilities from the City's Rights-of-Way. Should the Grantee fail to remove its facilities within the one hundred and eighty day period (180), the City may remove.

Section 5: No Limitation of City Authority.

(a) Except as provided in Section 6 below, nothing in this Franchise shall in any way be construed or interpreted to prevent, or in any way limit, the City from modifying or performing any work in its Rights-of-Way, or granting other franchises for use of Rights-of-Way, or of adopting general ordinances regulating use of or activities in the Rights-of-Way, or of otherwise abrogating or limiting any rights, privileges or property interest the City now has in its Rights-of-Way, whether now owned or hereinafter acquired.

(b) In the event that any portion of the Franchisee's infrastructure interferes with any present or future use the City desires to make of its Rights-of-Way, Franchisee shall, upon request, and at its sole expense, promptly relocate such infrastructure, and restore the area where such relocation occurs to as good a condition as existed before the work was undertaken, unless otherwise directed by the City.

(c) Unless mutually agreed to by the City, LSN will not be permitted to place, erect, lay, maintain, and/or operate its Facilities in, upon, over, and/or under any City park, trail, open space, and/or similar areas, and (d) City will have the authority to prescribe which Right-of-Ways will be used by LSN for the Facilities, and the location of the Facilities within the Right-of-Ways (whether such Facilities are newly constructed, replaced, repaired, or otherwise).

(e) Where the Franchisee had paid for the relocation costs of the same facilities at the request of the City within the past five (5) years, the Franchisee's share of the cost of relocation will be paid by the City if it requested the subsequent relocation.

(f) Except as otherwise provided by law, and subject to Section 6 herein, nothing in this Franchise shall be construed to give the Franchisee any credit or exemption from any nondiscriminatory, generally applicable business tax, or other tax now or hereafter levied upon Franchisee's taxable real or personal property, or against any permit fees or inspection fees required as a condition of construction of any improvements upon Franchisee's real property and imposed under a generally applicable ordinance or resolution.

Section 6: Competitively Neutral Application. The City shall impose, on a competitively neutral and nondiscriminatory basis, similar terms and conditions upon other similarly situated providers of Telecommunications services operating within the City. Any requirement imposed on Franchisee that is determined not in compliance with this Section 6 shall be unenforceable against Franchisee.

Section 7: Construction, Maintenance and Repair of Infrastructure.

(a) Franchisee may make all needful excavations in any Right-of-Way for the purpose of placing, erecting, laying, maintaining or repairing Franchisee's infrastructure, and shall repair, renew and replace the same as reasonably possible to the condition that existed prior to such excavation. Franchisee shall obtain all necessary permits for such excavation and construction, and pay all applicable fees. Such work shall be done only in accordance with plans or designs submitted to, and approved by, the City, such plans (1) to be evaluated by the standards applied to the construction of other similar Telecommunications systems in the City, and (2) maintained by the City as confidential and exempt from public disclosure to the maximum extent allowed by law. Such work shall be performed in a good and workmanlike manner and in compliance with all rules, regulations, or ordinances which may, during the term of this Franchise, be adopted from time to time by the City, or any other authority having jurisdiction over Rights-of-Way. Prior to commencing excavation or construction, Franchisee shall give appropriate

notice to other franchisees, licensees or permittees of the City owning or maintaining facilities which may be affected by the proposed excavation or construction.

(b) In the event emergency repairs are necessary for Franchisee's facilities, Franchisee may immediately initiate such emergency repairs. Franchisee shall give notice to the City's Department of Public Works by telephone, electronic data transmittal or other appropriate means as soon as is practicable after commencement of work performed under emergency conditions. Franchisee shall make such repairs in compliance with applicable ordinances and regulations, and shall apply for any necessary permits no later than the business day next following the discovery of the need for such repairs.

Each liability insurance policy LSN is required to obtain and maintain under this Section 8 will name City as an additional insured and will provide that no cancellation, expiration, modification, or reduction in amount or scope of insurance coverage is permitted without providing City thirty (30) days' prior written notice. All insurance LSN is required to obtain and maintain under this Section 8 will be issued only by insurance companies licensed in Oregon. Prior to City's execution and acceptance of this Ordinance, and at any other time thereafter within ten (10) days after City's written request, LSN will provide City with certificates of insurance and endorsements evidencing LSN compliance with this Section 8.

Section 9: Transfers and Change in Control.

(a) Transfer. This Franchise shall not be sold, leased, assigned or otherwise transferred, nor shall any of the rights or privileges herein granted or authorized be leased, assigned, mortgaged, sold or transferred, either in whole or in part, nor shall title hereto, either legal or equitable, or any right, interest or property herein, pass to or vest in any person, except the Franchisee, either by act of the Franchisee or by operation of law, without the consent of the City, expressed in writing, such consent not to be unreasonably withheld. If the Franchisee wishes to transfer this Franchise, the Franchisee shall give City written notice of the proposed transfer, and shall request consent of the transfer by the City.

(b) Any transfer of ownership affected without the written consent of the City shall render this Franchise subject to revocation. The City shall have 60 days to act upon any request for approval of a transfer. If the City fails to render a final decision on the request within said 60 days, the request shall be deemed granted unless the Franchisee and the City agree to an extension of time.

(c) The Franchisee, upon any transfer, shall within 60 days thereafter file with the City a certified statement evidencing the transfer and an acknowledgment of the transferee that it agrees to be bound by the terms and conditions contained in this Franchise.

(d) The requirements of this section shall not be deemed to prohibit the use of the Franchisee's property as collateral for security in financing the construction or acquisition of all or part of a Telecommunications System of the Franchisee or any affiliate of the Franchisee. However, the Telecommunications System franchised hereunder, including portions thereof used as collateral, shall at all times continue to be subject to the provisions of this Franchise.

(e) The requirements of this section shall not be deemed to prohibit sale of tangible assets of the Franchisee in the ordinary conduct of the Franchisee's business without the consent of the City. The requirements of this section shall not be deemed to prohibit, without the consent of the City, a transfer to a transferee whose primary business is Telecommunications System operation and having a majority of its beneficial ownership held by the Franchisee, a parent of the Franchisee, or an affiliate, a majority of whose beneficial ownership is held by a parent of the Franchisee.

Section 10: Indemnification. Each party shall indemnify and hold the other harmless for any losses, claims, damages, awards, penalties or injuries incurred by any third party, including reasonable attorney's fees, which arise from any alleged breach of such indemnifying party's representations and warranties made under this Agreement, provided that the indemnifying party is promptly notified of any such claims. The indemnifying party shall have the sole right to defend such claims at its own expense. The other party shall provide, at the indemnifying party's expense, such assistance in investigating and defending such claims as the indemnifying party may reasonably request. This indemnity shall survive the termination of this Agreement.

Section 11: Compensation.

(a) **Franchise Fee.** In consideration of permission to use the streets and Rights-of-Way of the City for the construction, operation, and maintenance of a Telecommunications system within the Franchise area the Franchise shall pay to City during the term of this Franchise an amount equal to seven percent (7%) of the Franchisee's Gross Revenues ("Franchise Fee"). Any net uncollectibles, bad debts or other accrued amounts deducted from Gross Revenues shall be included in Gross Receipts at such time as they are actually collected. Revenue from point to point or multi-point services is based on the pro-rata share of the revenue from those services.

(b) **Modification Resulting from Action by Law.** Upon thirty days notice and in the event any law or valid rule or regulation applicable to this Franchise limits the Franchise Fee below the amount provided herein, or as subsequently modified, the Franchisee agrees to and shall pay the maximum permissible amount and, if such law or valid rule or regulation is later repealed or amended to allow a higher permissible amount, then Franchisee shall pay the higher amount commencing from the date of such repeal or amendment, up to the maximum allowable by law.

(c) **Payment of Franchise Fees.** Payments due under this provision shall be computed and paid quarterly for the preceding quarter, as of March 31, June 30, September 30, and December 31, each quarterly payment due and payable no later than 45 days after such dates. Not later than the date of each payment, the Franchisee shall file with the City a written statement, in a form satisfactory to the City and signed under penalty of perjury by an officer of the Franchisee, identifying in detail the amount of gross revenue received by the Franchisee, the computation basis and method, for the quarter for which payment is made.

(d) The Franchise Fee includes all compensation for the use of the City's Rights-of-Way. Franchisee may offset against the Franchise Fee the amount of any fee or charge paid to the City in connection with the Grantee's use of the Rights-of-Way when the fee or charge is not imposed under a generally applicable ordinance or resolution. The Franchise Fee shall not be deemed to be in lieu of or a waiver of any ad valorem property tax which the City may now or hereafter be entitled to, or to participate in, or to levy upon the property of Franchisee.

Section 12: Extension of City Limits. Upon the annexation of any territory to the City, the rights granted herein shall extend to the annexed territory to the extent the City has such authority. All Facilities owned, maintained, or operated by Grantee located within any public Rights-of-Ways of the annexed territory shall be subject to all of the terms of this Ordinance.

Section 13: Right to Inspect Records. In order to manage the Franchisee's use of Rights-of-Way pursuant to this Franchise, and to determine and verify the amount of compensation due to the City under this Franchise, the Franchisee shall provide, upon request, the following information in such form as may be reasonably required by the City: maps of the Franchisee's Telecommunications System; the amount collected by the Franchisee from

users of Telecommunications Service provided by Franchisee via its Telecommunications network; the character and extent of the Telecommunications Service rendered therefore to them; and any other related financial information required for the exercise of any other lawful right of Franchisee under this Franchise. The cost of any such audit or review shall be borne by the City. The City agrees to protect from disclosure to third parties, to the maximum extent allowed by State law, any information obtained as a result of its rights pursuant to this Section, or any compilation or other derivative works created using information obtained pursuant to the exercise of its rights hereunder.

Section 15: Right to Inspect Construction. Subject to the immediately preceding sentence, if LSN fails to cure or remedy the Event of Default(s) within the LSN Cure Period, City may terminate this Ordinance based on such Event of Default(s) and may pursue any and all rights and remedies available to City under this Ordinance and/or applicable law. Termination of this Ordinance by City will not constitute a waiver or termination of any rights, claims, and/or causes of action City may have against LSN.
