Swimming Pool reservations can be done during non-regular open hours. A minimum of two lifeguards are required for up to 50 swimmers. Additional lifeguards are required for each 25 swimmers for a maximum of 100 swimmers. Filling out this form and paying the fee does not guarantee that the pool can be reserved as lifeguards have to be available to work. There is a 30-minute close up time. Your help with the lifeguards to close such as putting away the toys, emptying trash, putting the solar covers on, will greatly reduce the need to access a surcharge.
